Sincerely,

May God bless you and your family.

This year, we celebrated a dedicated educator, a leader for the Hispanic community, and a lifetime donor to Catholic education. We couldn't be more pleased to bring these shining examples of Faith and Charity to the forefront. Thank you for making the Gala such a success, and most importantly, thank you for making a Catholic education possible for so many in your own community.

The Foundation for Catholic Education was formed to maintain and increase enrollment in our Catholic Schools. Tuition assistance was provided to 475 students in Chester County this year alone. That's an average of about \$900 - \$1,000 in aid per eligible student. Attendance at the 2014 gala represents a 13% increase over last year. Number of sponsorships increased by 90%. Thank you!

It is with gratitude and great hope for the future that we thank you for your sponsorship of our Fourth Annual Chester County Catholic Schools Hall of Fame Gala. Your support is critical to the Catholic Schools in Chester County, and to the students who strive to excel academically and spiritually. Whether you gave at a Leadership level, placed an ad, or contributed in-kind, your contribution is witness to faith in a Catholic Education. We are enclosing a copy of the gala program, and sincerely hope you can join us in the celebration next year.
