Thank you so
much for thinking
of JDRF!

Dear Ms. Kuranda,

On behalf of the Board of Directors of JDRF, we would like to thank you and your son, Jackson for your generous donation. The \$380.00 collected at Jackson's birthday party tangibly helps us get one step closer to a cure. Our mission is to find a cure for diabetes and its complications – no more shots!

Thanks to supporters like you, Jackson and your family and friends, JDRF is able to remain focused on its mission. Your continued support speeds our pace to that goal.

There are many worthy and valid charities in Delaware and we truly appreciate your generous support of JDRF during these times. It is more important than ever that we continue the research that will lead to a cure for diabetes and you can count on JDRF to continue to be a leader in this cause. We are so grateful for your support of the children, adults, and families living with type 1 diabetes.

Again, we thank you for your support and value your contribution. Together, we will be known as the people who cured diabetes.

Sincerely,

Brook Patterson

PS Happy belated birthday, Jackson!
