Dear Thomas,

A hero is a person who shows noble qualities. Heroes at the Freedom Valley YMCA show noble qualities through gifts of time, talent or treasure. You have joined countless others who have become the hero for a child, a senior or an entire family who is in need of your support.

The Freedom Valley YMCA and I thank you for your philanthropic gift of \$ [REDACTED] to the "Y Partners" Annual Campaign Youth Sports Sponsorship Program. Your kindness and generosity has opened the door of opportunity for someone you may never meet, yet whose life has been changed by your goodness.

We will continue to open the door of opportunity when people like you step forward and say, "How may I help someone in need?" Thank you for making a difference. Today, you are a hero!

For the YMCA,

Allison B. Stinger  
Director of Financial Development
