For the YMCA,

On behalf of the Freedom Valley YMCA, I want to extend my sincere appreciation for your generous contribution of _____ to our annual campaign. Because of your generosity, children like Nolan will attend quality child care facilities. Families like Gavin's will utilize our facilities as an escape from the everyday trials and tribulations they face with a terminally ill child. Hundreds of children will learn proper water safety skills and seniors will find a place to gather with others who share common interests and, in turn, form lasting friendships.

You are making a difference! The Freedom Valley YMCA goes far beyond the days of being one's "Gym and Swim." Today and tomorrow, we will be here to meet the multiple needs of our communities and because of you we will make a positive impact.

As the Freedom Valley YMCA launches into another year, we reflect on the commitment we have to our communities to work for youth development, for healthy living, and for social responsibility. We believe that our efforts are fruitless without the generous support we receive from hundreds of members, community leaders and local businesses. It is this collaboration that will ultimately make the difference in the lives of others.
