Dear Tom,

The goal of forming *The Foundation* is to increase enrollment in the Catholic Elementary Schools in Chester County. We sincerely appreciate your recent attendance and/or contribution to the 2012 second annual *Foundation Gala*. Through your support, we have raised over **\$360,000** in tuition assistance and helped over **240 families** within the past two years. This year's gala raised **\$22,000**. Because of you, *The Foundation* is flourishing.

Our Catholic school communities have enjoyed a long tradition of spiritual formation, social growth and academic excellence for many years. My most sincere gratitude is directed to you, as your contributions and energy directly support *The Foundation's* vision of Catholic Education. Through your support we are able to fulfill many students and families' dreams of thriving in a Catholic Education environment. All those involved in Catholic Education, from parents to educators to administrators, are grateful for your dedication to their future.

Please know our schools keep you in their prayers and may the Good Lord bless the work of our hands.

Sincerely yours in Christ,

Reverend Monsignor Joseph T. Marino
